

# Are You Looking for an Inspiring, Entertaining, and Highly Informative Speaker for Your Next Event, Meeting, Training Session, or Podcast? Look No Further!

Hi! I'm Dr Rod Irwin, scientist, business owner, and now author of "Get Wired for Success".

Take this opportunity to host my 60-minute life-changing presentation:

## "How to Wire Your Brain for the Business Success and Life of Your Dreams!"

Give your audience exciting, new, and easy-to-understand insights with tangible and practical solutions, ready to use now in business and life, freshly delivered live via Zoom to your corner of the world!

This inspiring, entertaining, and highly informative presentation is delivered live or by webinar. Best of all, this incredible value is totally FREE to you and your organization! This is what you and your audience will learn:

- How Your Brain Works—easy-to-understand science, opening up a whole new world of insights, understanding, and possibility!
- 5 Keys to Wire Your Brain for the Business Success and Life of Your Dreams. This is the real nuts and bolts of the presentation.
- Practical Strategies and Tactics ready to use right now in business and life!
- Take a tour of my amazing on-line course "**Get Wired for Success!**", and for those wanting to go to the next level and beyond, access to a mind-blowing offer.
- With time for Questions and Answers

Please take a moment to check out my presentation and the Get Wired for Success on-line course at [getwiredforsuccess.com/webinardeal/](http://getwiredforsuccess.com/webinardeal/)

Dr Rod Irwin, Scientist, Author, Speaker and Business Coach.

### *Read what people are saying about Dr Rod's Presentations and Courses*

*"We were fortunate to have Rod share his expertise with our employees. Rod outlined how we can use strategies to transform our lives and realize our potential - a unique personal development experience for teams!"*

**Renee Waters, People at Apiam Animal Health.**

*"Rod's ability to connect with the emotions many of us have suffered through is a rare trait. I would highly recommend Get Wired for Success to anyone who wants to be truly happy and prosperous."*

**Aaron Parkinson, CEO, 7 Mile Marketing SEZC.**

*"Rod teaches the very skills he developed to achieve his business success and personal flow. These are not "airy fairy" concepts, but concepts rooted in science. They will help you develop your mindset, and achieve your business goals."*

**Shane Barker, Business Consultant, Kaizen Strategies.**
